Mastectomy Services

home health care

Our professional staff believe privacy is paramount and can clinically assist you to select the product that suits your personal needs.

Mastectomy

Experienced certified mastectomy fitters provide emotional support and expertise in fitting mastectomy products in a comfortable and private atmosphere. We will properly fit your breast form to your individual needs and lifestyle assuring your natural look, comfort and balance.

We are a registered mastectomy vendor for the Assistive Devices Program and Non Insured Health Benefits. We provide bilingual service.

Intimate Apparel

In addition to our wide selection of high quality breast forms we offer fashionable brassieres, post operative camisoles, swimwear, hairpieces, hats and turbans to help you look and feel your best.

Your choice is a personal one. To ensure your privacy, Health Care Pharmacy offers personalized fitting advice in our private mastectomy boutique.

Lymphedema

Lymphedema, secondary to breast cancer surgery or radiation results in the accumulation and retention of lymphatic fluid in any part of the arm or hand. Early intervention and compression therapy is the recognized treatment for reducing and maintaining the size of the limb.

The goal of our professional staff is to consult and provide expertise, assisting you to select comfortable and attractive compression garments.

We are a registered compression therapy vendor for the Assistive Devices Program.

Your health is our concern.
